

Northern Plains United
Labor Council, AFL-CIO

DISAPPROVES OF

Shannon Roers Jones

*The **WRONG** choice for Fargo Mayor.*

Al Carlson

*The **WRONG** choice for Fargo City Commission.*

WRONG FOR FARGO'S WORKING FAMILIES.

These two have consistently voted against legislation that improves the lives of working families in ND. Instead they supported their own greedy business interests while they served in the ND State Legislature as career politicians.

Vote for anyone else!
