Book 1: If you are working outside the Local and fall off the Book, fill out the information below and email it to us from another IBEW Local.

Book 2: Must have your home local send us a copy of your **current Travel Letter and a copy of a paid-up dues receipt along with this completed form.** We require that it comes from your home local to keep your personal information secure.

Book signing forms received during normal business hours will be registered by the timestamp of the email. Any forms received after hours will go on at the end of the book on the day we receive it. Signing books by email may be terminated at any time.
